## INGREDIENTS

- 4 tbsp all purpose flour
- 2 tbsp brown sugar *lightly packed*
- 1/4 tsp baking powder
- 3 tbsp low fat milk
- 1/8 tsp vanilla
- 1/2 tbsp vegetable oil
- 2 tbsp semisweet chocolate chips

## INSTRUCTIONS

1. Combine all ingredients except chocolate chips into a microwave safe mug. This is a small cake so you can use an 8 oz mug and it should just reach the top when finished cooking. You can also use an oversized mug, but the cake will be lower in the mug. Mix with a small, sturdy whisk until a smooth batter forms and no lumps remain.
2. Stir in half of the chocolate chips. Sprinkle remaining half over surface. Cook in microwave for about 1 minute. Let cool a few minutes before eating.
